*Hairdresser*

**Cora:** I'm in a hurry Anjila! I just have time to do my shopping in my lunch hour. My boss has booked Mrs Spectacle for 1.15. I mustn't be late for her cut, shampoo and set! At least today I don't have to do her colour or perm. So it won't take so long! I'm quite exhausted you know. I'm on my feet for 8 hours a day! Still, I can't complain, at least I'm not allergic to the hair care products. Poor Joanne had to change jobs! Right, I'm off to see Mrs Spectacle...

.../...

Fortunately not all my clients are like her! It's a pleasure to do other women you know! They talk to me about their worries, the events in their lives, their families and their children. Some even ask for my advice or my opinion. You want to have some highlights done, Anjila? ! Well, yes, why not? Come along this evening. We're open till nine o'clock.
