*Demonstrator*

**Bargain Bill:** Yes, I am married, Maximillion! My wife assists me in my work. She presents my products in the supermarkets, showing off their benefits and letting the customers have a go. As well as that during trade fairs she will explain in the detail the workings of a new vegetable chopper or the advantages of a nonstick saucepan! She is never short of an answer! And she can attract crowds you know, just like you! As well as that, she admires you greatly, Maximillion! She never misses one of your programmes!

.../...

Who knows, you might see her tomorrow in the market at Graphoville! She is doing a demonstration of a new furniture cleaner and a special honey usually used for the voice! She always uses it because she has to talk a lot. Ha ha! That might be of interest to you, this particular honey which helps maintain your voice for your type of work....You say we don't have time for all this? You have to ask your questions? Of course, Maximillion! I am listening!
