

So where is Earnest?: *Hunt the snake!*

The clown: Earnest, where has Musidora Charmer's snake gone? It **isn't** in the basket.

Earnest: The snake? **I'm** telling you, the last time I saw this enormous snake he was curled up on Maria Aria's costume, the one she wears as Queen of the Night.

Maria Aria: What! **You're** telling that he was sleeping in my magnificent costume? The other day it was on my dressing table in the middle of all my bottles. **It's** not funny, really.

Earnest: Oh! **He's** there! **He's** there! **I've** seen him!

The clown: **He's** where, Earnest?

Earnest: There! There! **I've** seen him curled up in the flower pot, under the light.

Musidora: **That's** where he was my little treasure. Come on, wake up. **We've** work to do. **We're** in scene 6 with Paul. And on that subject, Earnest, **where's** Paul's cravat? **We've** looked everywhere for it. Earnest? Earnest? But **where's** he gone? **He's** completely disappeared.

So where is Earnest?: *Everything but the snakes!*

Paul Handsome:

Earnest! **Where's** my umbrella for the outside scene ?

Earnest:

It's there in the umbrella holder.

Paul Handsome:

Earnest! Is Patsey here?

Earnest:

No, **she'snt** here, **I'm** sure.

The magician:

Earnest! **You've** always been good at finding things. Do you know where **I've** put my hat that **I've** to wear in Scene 8 ?

Earnest:

It's there, **it's** on the table.

The magician:

Hold on, **here's** Inspector Polombo. **He's** lost a button from his raincoat.

Earnest: **It's** in my pocket. Hang on, wait for Patsey and she will mend it for him

Polombo: Patsey ? **Where's** Patsey ?

Earnest: **She's** in the costume room. **She's** talking to Jack, the director.

Polombo: Thank you. Hold on, **it isn't** Musidora Charmer with the two snakes ? And **I've** seen Earnest. And **he's** run away like a shot.
